

## Storms Never Last

Dr. Hook

Storms never last, do they, baby  
Bad times all pass with the wind  
Your hand in mine stills the thunder  
And you make the sun wanna shine

You followed me down so many roads, baby  
I picked wild flowers and sung you soft, sad songs  
And every road we took, lord knows our search was for the truth  
And the clouds brewing now won't be the last

But storms never last, do they, baby  
Bad times all pass with the wind  
Your hand in mine stills the thunder  
And you make the sun wanna shine

Storms never last, do they, baby  
Bad times, bad times, the bad times all pass  
Your hand in mine stills the thunder  
You make the sun wanna shine

Storms never last, do they, baby  
Bad times all pass with the wind  
Your hand in mine stills the thunder  
And you make the sun wanna shine
