

# You Stole My Heart

Dr. Sin

When I saw you for the first time  
I felt my heartbeat growing stronger  
You came to me just like a vision of hope  
And I knew we'd be together somehow

You gotta know  
You're all I want  
Only you make me feel  
I don't have to die  
To go to heaven

Baby, baby, you know I need you  
Just like I need the air I breathe

You changed my life  
You woke up my feelings  
I never knew love, I was blind  
Now I see that  
You stole my heart

Anytime you're not right next to me  
I'm so afraid you'll stay away  
There is no way to go easy with love  
It can be so dangerous  
But it's time I must try

You gotta know  
You're all I want  
Only you make me feel  
I don't have to die  
To go to heaven
