

Rose

Dragon

Ain't no need to worry, ain't no need to cry
You'll find out the answer, bye and bye
I say don't worry, it's gonna be all right in the end
Just say hey, all right, that's my life, all right

Everybody wants to be in the know, everybody wants to be inside
Everybody wants a place to go when it's cold outside
But I say don't worry, it's gonna be all right in the end
Just say hey, all right, that's my life, all right

All I want to say is OK, the rose is fine
The sunset wine I drink makes my day
I don't want to fight, oh no
That's my life, all right

All I want to say is OK, the rose is fine
The sunset wine I drink makes my day
I don't want to fight, oh no
It's my life, all right
It's my life, all right
It's my life, all right
It's my life, all right
It's my life, all right
It's my life, all right
It's my life, all right...
