## Dragonsfire

I've got my crusher and my blowtorch  
Clenched in my hands  
Can you imagine what you reach?  
Directly with these

Dragonsfire rockxxx  
Dragonsfire everyday  
Dragonsfire rockxxx  
Dragonsfire is our way  
Dragonsfire rockxxx  
Dragonsfire rockxxx

What do you think is metal  
Skulls gonna roll  
Ass will be kicked, pussy get licked  
That's rock'n'roll

Dragonsfire rockxxx  
Dragonsfire everyday  
Dragonsfire rockxxx  
Dragonsfire is our way

Dragonsfire rockxxx  
Dragonsfire rockxxx  
Dragonsfire rockxxx  
Dragonsfire rockxxx

Dragonsfire rockxxx  
Dragonsfire everyday  
Dragonsfire rockxxx  
Dragonsfire is our way

Take the right way, motherfucker

The Dragonsfire-train keeps on rolling  
No time to waste  
And all the greedy people cry out  
All rest in peace

Dragonsfire rockxxx  
Dragonsfire everyday  
Dragonsfire rockxxx  
Dragonsfire, just push play

Dragonsfire rockxxx  
Dragonsfire's holding sway  
Dragonsfire rockxxx  
Dragonsfire won't betray  
Dragonsfire rockxxx  
Dragonsfire will repay  
Dragonsfire rockxxx  
Dragonsfire blows you away
