

Senseless Fun

Dramarama

Give me a deal, I'll break it
Teach me to steal, I'll take it
Tell me to feel, I'll fake it
Make believe it's fun

Gimme a horn, I'll blow it
Gimme a rock, I'll throw it
Tell me the truth, I know it
Everything's been done

If every word and every rhyme forever occupy my time
Remember I'm trying to make it
And every time we load the gun
And say that this one is the one it's senseless fun
Disappointed

Gimme a chime, I'll play it
Read me a line, I'll say it
Gimme a sign, I'll pray it
Sacrifice my life

Get an idea and hope it sells
Knocking on doors and ringing bells
Gasping for air and telling
Better hide that knife

'Cause every time we play the game

And act like everything's the same
Except the name, it's expected
And all the scars and all the fun
And all the battles we have won to catch the sun
Disappointed

If every word and every rhyme forever occupy my time
Remember I'm trying to make it
And every time we load the gun
And say that this one is the one it's senseless fun
Disappointed

Can you tell that I'm the one?
Did you know I was the one?
Can you tell me? Would you tell me?
Would you tell me I'm the one?

Don't you know that I'm the one?
Can't you tell that I'm the one?
Would you tell me? Would you tell me?
Would you tell me I'm the one ?
