A Thousand Miles

Dream On, Dreamer

Making my way downtown walking fast faces pass and I'm homebound Staring blanky ahead just making my way making a way through the crowd

And I need you and I miss you and now I wonder

If I could fall into the sky
do you think time would pass me by
'cause you know I'd walk a thousand miles
if I could just see you...tonight

It's always times like these when I think of you and I wonder if you ever think of me 'cause everything's so wrong and I don't belong living in your precious memory

'cause I need you and I miss you and now I wonder

If I could fall into the sky do you think time would pass me by, oh 'cause you know I'd walk a thousand miles if I could just see you...tonight

And I, I don't wanna let you know
I, I drown in your memory
I, I don't wanna let this go
I, I don't

Making my way downtown walking fast faces pass and I'm homebound Staring blankly ahead just making my way making a way through the crowd

And I still need you and I still miss you and now I wonder

If I could fall into the sky
do you think time would pass us by
'cause you know I'd walk a thousand miles
if I could just see you, oh

If I could fall into the sky
do you think time won't pass me by
'cause you know I'd walk a thousand miles
if I can just see you
if I can just hold you...tonight
