

# Sugar Rush

Dream Street

Woh...Yeah...

I get a high whenever you're around  
Sweeping from my head to my toes  
I, I gotta get my feet back on the ground

'Cause you make me go  
Out of my way, crossing the line  
Making me say what I have in mind

You make me so excited  
And I don't wanna fight it  
I start to blush  
You are my sugar rush  
Ain't nothing better, baby  
Is it for real or maybe?  
I'm losing touch  
You are my sugar rush

I got a sweet tooth  
And a taste for you  
And I might be too obvious  
But I (I, I) I can't help myself from what I do

'Cause you make me go out of my way (out of my way)  
Crossing the line (crossing the line)  
Making me say what I have in mind, wo-oh, oh-oh-oh

You make me so excited  
And I dont' wanna fight it  
I start to blush  
You are my sugar rush  
Aint' nothign better, baby  
Is it for real or maybe?  
I'm losing touch  
You are my sugar rush

Baby you're my sugar rush  
I get weak and talk too much  
You're the sweetest thing I ever tasted  
Baby you're my sugar rush  
I get weak and talk too much

'Cause you make me go out of my way, crossing the line  
Making me say what I have in mind

You make me so excited  
And I don't wanna fight it  
I start to blush  
You are my sugar rush  
Aint' nothign better, baby  
Is it for real or maybe?  
I'm losing touch  
You are my sugar rush

Baby you're my sugar rush  
I get weak and talk too much

You're the sweetest thing I ever tasted  
(You are my sugar rush, baby)  
Baby you're my sugar rush  
I get weak and talk too much  
You're the sweetest thing I ever tasted  
(You are my sugar rush, yeah-eah, eah-eah)  
Baby you're my sugar rush  
I get weak and talk too much  
You are my sugar rush
