

Dancin' Ricky

Drive-By Truckers

Ricky Boy, Ricky Boy, You got somethin' left to deal with
What you gonna do about merchandise?
Ricky Boy, You got the money, you got somethin' left to
do
What you gonna do about countin' right?
Your shirts too damned small for your body
You got your freedom out in the open
We got to figure out how to quit all your dancing
And go and check out the swag
Ricky Boy, Oh Dancin' Ricky,
You've got plenty of moves left to do
Hey Ricky, don't let the Diabetes get you!
Dancin' Ricky, Oh Dancin' Ricky,
You've been spinnin' just like a ride
What you gonna do about actin' right?
