Gracie, we're makin babies, yea, we're barefoot on the tiles / we make 'em

Soft and small and tender, it's the biggest hazard of your gend er, gotta

Hold it by yourself / Gracie, hold yourself together, it's bad now but it

Gets better, we're all here to help / everything is swollen, everything is

Swell... everybody's watching, they all wanna see it kick - ple asure is

Your crime, junior is your punishment, happens all the time, everybody rub

It in. It ain't hard to find fault in any thing you do, we lear ned to love

The hard way, you're gonna learn it too. - etc.
