

Thinking 'Bout You

Dua Lipa

3 A.M. and my neighbors hate me
Music blasting, shaking these walls
This time Mary Jane won't save me
I've been working later, I've been drinking stronger
I've been smoking deeper but the memories won't stop

I can't stop thinking 'bout you
I can't stop thinking 'bout you
I can't get high, I can't get by, I can't get through
I can't stop thinking 'bout you

Like poison coursing through me
Soaking, my vision is blurred
The haze won't put my mind at ease
I've been sleeping later, I've been breathing stronger
I've been digging deeper but the memories won't stop

I can't stop thinking 'bout you
I can't stop thinking 'bout you
I can't get high, I can't get by, I can't get through
I can't stop thinking 'bout you

I want you all
Say it before you run out of time
I want you all
Say it before it's too late
I want you all
Say what I am feeling now
I want you all
When it is insane

I can't stop thinking 'bout you
I can't stop thinking 'bout you
I can't get high, I can't get by, I can't get through
I can't stop thinking 'bout you

I can't stop thinking 'bout you
I can't get high, I can't get by, I can't get through
I can't stop thinking 'bout you
