

# Beautiful Disease

Duff McKagan

I think I'm gonna freak out, throw out my  
Sanity, blame it on my lack of education,  
forced sobriety  
Gonna whip it out my double barrel and play  
Russian roulette with one  
When I win, I'm gonna pull my skin off and  
give it to someone

(chorus)

Beautiful Disease

Ugly is so beautiful when you hit it with a stick  
Political correctiveness is such a sham, it's  
makin' me sick  
Sometimes I gotta ask myself why a kick in  
the head feels good  
The more they try to beat me down, the more  
I think it's understood that

(chorus)

(bridge)

Opinions are like assholes, and you smell like  
and open sewer  
I lost my mind, 30 times, cause of bullshit  
pulled on tour  
It's my war, and I want it, right now

(chorus)

Here we go once again  
It's time to take my librium  
Spiders crawlin' up the walls  
Will you catch me if I fall?

Round and round and round he goes  
Where he stops, nobody knows
