

Oh I wish we would't fight  
All your friend are super nice  
Oh I wish your heart not cold  
Wish you'd never grow to old

Lola you don't need to cry  
Lola you don't need to cry  
Lola you don't need to cry  
Lola you don't need to cry

Oh I wish you wouldn't scream  
Everybody makes a scene  
Oh I wish you'd sleep this sound  
No one ever brings you down

Lola you don't need to cry  
Lola you don't need to cry  
Lola you don't need to cry  
Lola you don't need to cry

Lola you don't need to cry  
Lola you don't need to cry  
Lola you don't need to cry  
Lola you don't need to cry

Oh I wish you knew my name
