```
Oh I wish we would't fight
All your friend are super nice
Oh I wish your heart not cold
Wish you'd never grow to old
```

```
Lola you don't need to cry
```

Oh I wish you wouldn't scream
Everybody makes a scene
Oh I wish you'd sleep this sound
No one ever brings you down

```
Lola you don't need to cry
```

```
Lola you don't need to cry
```

Oh I wish you knew my name
