

Superman

Dune Rats

Superman
Flying through the sky for me
All my friends
Always stay and fight

Everyone
Seems to take it out on me
Not again
Never will he die
Superman

Superman
Never let them get away
Even though
People try to hide

All along
He was always there with me
Never leaves
Never leaves my side
Superman

Superman
Flying through the sky for me
All my friends
Always stay and fight

Everyone
Seems to take it out on me
Not again
Never will he die
Superman

Superman
