

When You're Around

Dune Rats

When you're around, you're around, you're around, you're around
When you're around, you're around, you're around, you're around
When you're around, you're around, you're around, you're around
When you're around, you're around, you're around, you're around

And all I wanna do
And all you wanna do
It's waste the time away

It's up and down, up and down, up and down, up and down
It's up and down, up and down, up and down, up and down
It's up and down, up and down, up and down, up and down
It's up and down, up and down, up and down, up and down

And all I wanna do
And all you wanna do
It's waste the time away

And all I wanna do
And all you wanna do
It's waste the time away

When you're around, you're around, you're around, your're around
d
It's up and down, up and down, up and down, up and down
When you're around, you're around, you're around, you're around
It's up and down, up and down, up and down, up and down

And all I wanna do
And all you wanna do
It's waste the time away

And all I wanna do
And all you wanna do
It's waste the time away
