Against All Odds

How can I just let you walk away Just let you leave without a trace When I stand here taking every breath with you You're the only one who really knew me at all

how can you just walk away from me When all I can do is watch you leave Cause we shared the laughter and the pain Even shared the tears You're the only one who really knew me at all

So take a look at me now. Well there's just an empty space And there's nothing left here to remind me Just the memory of your face

Well take a look at me now Well there's just an empty space And you coming back to me is against the odds And that's what I've got to face.

I wish I could just make you turn around Turn around and see me cry There's so much I need to say to you So many reasons why You're the only one who really knew me at all

So take a look at me now Well there's just an empty space And there's nothing left here to remind me Just the memory of your face

Well take a look at me now Well there's just an empty space But to wait for you is all I can do And that's what I've got to face

Now take a look at me now I'll still be standing here And you coming back to me is against all odds Its the chance I've got to take

Take a look at me now Take a look at me now
