```
In my dreams...
In my dreams...
In my dreams...
In my dreams...
(In my dreams) I can go everywhere
(In my dreams) I don't have to care
(In my dreams) Follow red balloons
(In my dreams) Only lovely tunes
I can go everywhere
I don't have to care
Follow red balloons
Only lovely tunes
In my dreams...
In my dreams...
In my dreams...
In my dreams...
(In my dreams) I can go everywhere
(In my dreams) I don't have to care
(In my dreams) Follow red balloons
(In my dreams) Only lovely tunes
(In my dreams) I can go everywhere
(In my dreams) I don't have to care
(In my dreams) Follow red balloons
(In my dreams)
Here comes the dream
I can go everywhere
I don't have to care
Follow red balloons
Only lovely tunes
In my dreams...
```

Here comes the dream
