

# Don't Leave Me

Dungeon

I watched you walk away  
Without a second thought for me  
You left my life in ruins  
But you don't give a damn

PRE-CHORUS 1:  
You caused me pain and misery  
More than you could ever know  
But now there's nothing left for me  
I don't want you to go...

CHORUS:  
Don't leave me, don't leave me - don't leave me alone  
I need you, don't go - don't leave me, don't go...

Now I can't sleep at night  
All I see is your face  
Where my heart used to be  
There's just an empty space

PRE-CHORUS 2:  
I wake up every day  
Expecting to see you there  
If you knew how I felt  
I'm sure you'd shed a tear...

REPEAT CHORUS x 2

SOLO: Both / Tim / Dale / Both / Tim

REPEAT CHORUS x 4
