

ANNIVERSARY

Duran Duran

Come celebrate this union
Come holy and unchained
How do you know, stay or go
Keep riding on the train

What does it take beneath the skin
To keep from letting go
Some moments burned into the storm
And some you'll never know

Oh, do do do do do
Oh, do do do do do
All our days
Anniversary
Celebrate
Anniversary

Across the world, on radio
For anyone to hear
We are the song so bring it on
Once more be close and clear

All our days
Do do do do do
Anniversary
Do do do do do
Celebrate
Do do do do do
Anniversary
Do do do do do

It's our time
Do do do do do
Anniversary
Do do do do do
Yours and mine
Do do do do do
Anniversary
Do do do do do

Celebrate with silver, oak, and bone
Celebrate with paper, gold, and stone
It may not seem like much
It may not seem like much at all
It may not seem like much
But it's everything to us

Oh, do do do do do
Do do do do do
All our days
Do do do do do
Anniversary
Do do do do do
Celebrate
Do do do do do
Anniversary
Do do do do do

All our days
Do do do do do
Anniversary
Do do do do do
Celebrate
Do do do do do
Anniversary
Do do do do do

It's our time
Do do do do do
Anniversary
Do do do do do
Yours and mine
Do do do do do
Anniversary
Do do do do do

Do do do do do
I don't know, I don't know
Oh, are we still holding on?
And I know, can't stop, can't stop
And I know, can't stop you, no
Holding on, holding on
Holding on and on and on and on and on
