

# I'll Be Faithful

Dusty Springfield

I would be your water  
When your thirsty mouth was dry  
I would be your sunshine  
When clouds are in the sky

I would stand that close beside you  
And be your only friend  
And I have promised love forever  
There will be no end

Ooh, hoo, I'll be faithful  
Ooh, hoo, I'll be true too  
Ooh, hoo, I'll be faithful, yes, I will now  
Ooh, hoo, oh my, true to you

Now I would be your music  
If you would like a song  
I would sleep beside you  
When the winter's cold and long

I would be the pole to guide you  
Never would I bend  
And I have promised love forever  
There will be no end

Ooh, hoo, I'll be faithful, oh, yeah  
Ooh, hoo, I'll be true too, mmm  
Ooh, hoo, I'll be faithful, oh, yeah  
Ooh, hoo, oh my, true to you, ooh, hoo

I have promised love forever  
There will be no end

Ooh, hoo, I'll be faithful, oh, yeah  
Ooh, hoo, I'll be true too  
Ooh, hoo, I'll be faithful, yes I will  
Ooh, hoo, oh my, true to you
