

Heavy On My Heart

DVBBS

Don't have to wait until we're sober
Come on and let it out
Let's get this weight up off our shoulders, shoulders
Don't wanna wait until we're older
Say what you're thinking now
So, let's get this weight up off our shoulders, shoulders

Feel the pressure rise
Cut it with a knife
Our defense was stolen
In the storm we're walking
Heavy on my heart now

Heavy on my heart
Heavy on my heart now
If I say how I feel, will you tell me it's real?
Heavy on my heart now (now)
Heavy on my heart
Heavy on my heart now
If I say how I feel, will you tell me it's real?
Heavy on my heart now (now)

Heavy on my heart (now)

Can't handle all this conversation
Tired of dropping hints (dropping hints)
Trying to read the body language, language
Can't help but wonder if you're staying
Are you still on the fence?
Instead we stay here getting faded, faded

Feel the pressure rise
Cut it with a knife
Our defense was stolen
In the storm we're walking
Heavy on my heart now

Heavy on my heart
Heavy on my heart now
If I say how I feel, will you tell me it's real?
Heavy on my heart now (now)
Heavy on my heart
Heavy on my heart now
If I say how I feel, will you tell me it's real?
Heavy on my heart now (now)

Heavy on my heart (now)

Heavy on my heart
Boy, heavy on my heart

Heavy on my heart
Heavy on my heart now
If I say how I feel, will you tell me it's real?
Heavy on my heart now (now)
Heavy on my heart
Heavy on my heart now

If I say how I feel, will you tell me it's real?
Heavy on my heart now (now)

Heavy on my heart now (now)

Heavy on my heart
Boy, heavy on my heart
Heavy on my heart
