

Demented

Dwarves

I'm like a methamphetamine machine
Joe Beats supreme
Vile, outrageous, assed out upon the scene, like
He Who Cannot Be Named
Mine's beat, raped, molested and named
I got no shame

I'm demented
I am the one you want
And I meant it
I'm demented [2x]
I am the one you want

These little fairies talk shit, but I be ogre
Crack smoker
Ye, and about this I'll be quite vulgar
I got a boulder on my shoulder when I'm raw
I came and then I came, and then I came and then I saw

I'm demented [3x]
I'm the one you want
And I meant it
I'm demented [2x]
I am the one!

What you wanna do? What you wanna do?
I wanna fight, fuck and destroy like they used to
What you wanna do? What you wanna do?
I wanna slam six night ?across route 2?
What you wanna do? What you wanna do?
I wanna crush, kill□ destroy who you used
What you wanna do? What you wanna do?
I wanna die twice, get high and like fuck you

I'm demented [3x]
I'm the one you want
And I meant it
I'm demented [2x]
I am the one you want

Scrap this
Pathology
Scatology
Methodically remove your panties suddenly

I'm a sexual genius
??

I'm demented [3x]
I am the one you want
And I meant it
I'm demented [2x]
I am the one you want

What you wanna do? What you wanna do?
All you can do is watch this Jock diss
What you wanna do? What you wanna do?
