

# Like You Want

Dwarves

I'm gonna give it to you, baby, like you want, oh yea  
I know that it's gonna move ya, seduce ya  
Now give me everything that you've got  
You move me, searching high, searching low  
And all in between  
Come up and see me if you know what I mean  
I'm gonna give it to you, baby, like you want

I've got action, adventure, yea, just like you need, oh yea  
I know that it'll amaze ya, elate ya  
To satisfy is my guarantee  
Don't believe the lies that they write in the music magazine  
Get up and ride like I was Stephen McQueen  
I'm gonna give it to you... just like you want  
C'mon! C'mon! Get up!

I'm gonna give it to you, baby, like you want [3x]

Just like you want
