

# Smoke Along the Track

Dwight Yoakam

One day the train was passin', and I caught it comin' by  
To look this old world over, under God's blue sky  
My darlin' stood there weepin' as I was lookin' back  
I kissed my baby cryin' in the smoke along the track

Bye, Bye, so long, there's somethin' down the track it's callin'  
' me

Bye, Bye, so long, I guess that's just the way I'll always be  
Now when I get this feelin'  
Don't try to hold me back  
I'll only leave you cryin'  
In the smoke along the track

I like to keep on goin', it helps me when I'm blue  
I get the urge to travel, thats all I want to do  
I know I just can't settle down because I like to roam  
And when I hear that whistle blow I gotta move along

Bye, bye, so long, there's something down the track it's callin'  
' me

Bye, bye, so long, I guess that's just the way I'll always be  
Hey when I get this feelin'  
Don't try to hold me back  
I'll only leave you cryin'  
In the smoke along the track

I know my baby loves me, I love my baby too  
But she don't understand me when I'm feelin' blue  
And when I hear that whistle blow I hurry home to pack  
And kiss my baby cryin' in the smoke along the track

Bye, bye, so long, there's something down the track it's callin'  
me

Bye, bye, so long, I guess that's just the way I'll always be  
When I that feelin'  
Don't try to hold me back  
I'll only leave you cryin'  
In the smoke along the track

I'll just leave you cryin'  
In the smoke along the track
