

## Careless

### Dynamite Boy

There's nothin' left to believe in  
There's nothin' left for me to say  
There's no words to explain this  
No words to say just how I feel  
I never want to be alone  
How long will it take my heart to heal?

You want it, you got it  
Now what are ya' gonna do with it?  
You took it, you need it  
And now I just don't believe it!

There's nothin' left to detain you  
There's nothin' left to bring you down  
There's no way I can hate you  
No way to show you how I feel  
Are you satisfied with what you've done?  
How long will it take my heart to heal?

You want it, you got it  
Now what are ya' gonna do with it?  
You took it, you need it  
And now I just don't believe it!
