

## Gina Works At Hearts

DZ Deathrays

Hit rock bottom  
Lights out and neons are in  
Dead on the inside already  
Heart attack, yeah, heart attack

Gina works at Hearts  
But she doesn't know  
Why she does it though  
She just loves the attention

Gina works at Hearts  
But she doesn't know  
Why she does it though  
She just loves the attention

I can buy, her dead eyes  
And wasted smile  
I can buy, her dead eyes  
And wasted smile

Back on the heart, back on  
A set of white lies  
And getting fucked up  
She doesn't want your money  
But she'll take it, yeah  
But she'll take it, yeah

Gina works at Hearts  
But she doesn't know  
Why she does it though  
She just loves the attention

Gina works at Hearts  
But she doesn't know  
Why she does it though  
She just loves the attention

I can buy, her dead eyes  
And wasted smile  
I can buy, her dead eyes  
And wasted smile

And a borrowed love  
Most turn away  
Don't walk alone  
Cause now, now you work at Hearts

Gina works at Hearts  
But she doesn't know  
Why she does it though  
She just loves the attention

Gina works at Hearts  
But she doesn't know  
Why she does it though  
She just loves the attention

I can buy, her dead eyes  
And wasted smile  
I can buy, her dead eyes  
And wasted smile
