

Teenage Kickstarts

DZ Deathrays

Tell your shit until you're out of scene,
Hey, demons, get me out of here.
Take my flag to the flat scene,
Bring it back down to the ground.

Kickstarts in your bloodstream,
Kickstarts in your bloodstream,
Kickstarts in your bloodstream,
Kickstarts in your bloodstream.

Take your chances in a one, two, three
Keep you in, stay inside of me
Purple clothes, sing just what you mean,
Purple heart in a heartbeat.

Kickstarts in your bloodstream,
Kickstarts in your bloodstream,
Kickstarts in your bloodstream,
Kickstarts in your bloodstream.

I've been held down and keep back in my chance, yeah.

Down, you fall apart, you play with kickstarts,
Down, you fall apart, you play with kickstarts,
Down, you fall apart, you play with kickstarts,
Down, you fall apart, you play with kickstarts,
