I'm a Hillside Kitty Walk nigga of course
You bound to see a nigga do a drive by on a horse
Country-city boy, big corn-fed nigga
40 ounce sipper, discount liquor
On the corner of Magazine and Sonoma Boulevard
Across the street from Grant Street, suicide backyard
Play them boys for false, fuck around and get stolen
They rep that shit hard, shout out to Soulin
I got the munchies 'cause I'm smoking on a log
Went to Bridgeside for some Sac's hot dogs
I'm slapping "Hubba Head" the Luvva Twins - Albino Rod
The first record Vallejo record ever pressed up as far as hip hop
Then came M.V.P.: 40, D-Shot, Suga, and B
Then came The Mac, then came Mac D-R-E
They doing the Thizz Dance in front of SolTrans
Everybody activated with a pistol in their pants

I was taking a shit and Cousin Fik hit me up
He said "40 on the other line," I told that nigga "What?"
Pressed mute, wiped my ass, bounced the fuck up
And started talking business with the boss of where I'm from
The seven hundred and six plus one
I be in the trap with in the flats
Was born in '95 and after that it's been a wrap
I'm a hustla not no rat
I'm about my Gouda I'm about my scratch
I'm heading to the tippy so I'm always on my toes
Times Herald taking pictures for so I'm striking for the pose
My niggas on Alhambra still be playing with their nose
Even if this rap don't blow I still get money out a ho
I was raised by OGs so it's class in me
I'm allergic to broke bitches so they bad for me
You want a verse from lil Neffy then start cashing me
Bitch I'm from Vallejo muthafucka stop asking me

Hop in this form, bitch, ride with the roller
What's your motive? Them ain't the cops, them the rollers
Flow straight colder, talking sicker than Ebola
Had a tramp out in Rosa and I fucked her good
I found out she was a ho so I kept it hood
Yeah, we counting C-notes like a musical
I'm slapping Young D-Boyz "Selling Cocaine as Usual"
I went to House of Soul, I need the usual
Never wore a suit but I'm suitable
WataBoys down to the cuticles
Moved to the A, the shit was beautiful
I moved back, start killing niggas, your funeral
I'm sideways, nigga, that-a-way
Shout out to Legit, my nigga 40 'cause they paved the way
Hell yeah, I'm a rep, they gonna hate me anyway (BEEZY!)
So anyway (Feel me!)
