

## Can't Stop the Boss

E-40

Ladies and gentlemen  
You are now tuned in to the very best  
Of the Phin-vale Anton-tindale{?}

You can't stop the boss - like a runaway train  
You can not stop me (stop me)  
I'm on go and still in the game  
You can not stop me - you can't stop the boss  
This ain't no red light district  
Green lights I fly by  
She say we look like pimpin  
I say baby you know you can't stop the boss

The definition of a boss, let me put you up on it  
B-O-S-S, Bread Over Sucker Shit  
Ain't too many left all the real ones done went away  
I'm built from a different brick, I'm carved from a different clay  
Be careful what you wish, play the game for what it's worth  
Cause bein a boss can be a gift and a curse, uhh  
Hope for the best but expect the worst  
They'd rather see you in a hearse than see you come in first  
I'm gettin gouda my nigga, I'm havin paper my fella  
Man I get to it my nigga, man makin revenue hella  
I'm a tell you like dis, like Kenny Red said  
I'm havin everything that a king should have (beitch!)

I sell a dream  
I'm hella clean, this the life you wish fo'  
I'm comfortable, you can bump the flow  
Brains blew out, it's convertible  
White walls, plush seats  
I'm a boss at all costs, I must eat  
Vintage statute, grinnin at you  
Gold ones, continue spinnin at you  
I'm a heavyweight, look at how I levitate  
And perpetuate the rate of the Golden State  
My cousin Earl knew I'm a set it straight  
And set a date and meditate and regulate

You can try  
But you can't stop me, I'll be doin alright  
Can't dilute cause I do it all night  
I've been rappin on the mic my whole life  
It's like I never stopped flowin, I keep goin  
Like a river where it ends you never knowin  
I don't even think about it, I'm a workaholic  
I date pretty young girls with perfect bodies  
We bosses, gettin head in the office  
All I do is cash checks and take offers  
Ask Phalon, Calvin or Earl  
When you see me they be countin the girls

[Chorus]
