

C'mon tiger, I'm finna take you to school
Up - put your seat belt on!
Dad are you a hustler?
I guess you can say that, hustlin these records and tapes
Where you get all these revenues?
Hmm~! Down and dirty about my scratch
And dad, why you always mean muggin?
I'm just tired of being stepped on son
Dad are you a gangster?
I don't know, some people seem to think so~!
Why you always carry that big ol' gat?
Cause I'd rather be caught with than without
Dad - tell me why you killed that man!
