

You Will Always Be A Part Of Me

E-Type

My mind keeps drifting back
To things we said this morning
Now I'm sitting here alone
Watching the world pass me by
Every time we part I feel like I'm falling
No matter what you think
I still love you

You will always be a part of me
No matter what we do
You will always hold a piece of me
Wherever I may go
Always...

The sky gets darker
And I sense that you are far and away
I miss the times we had when things were going our way
But every time we part you know how much it hurts me
No matter what you think
I still love you.
