

# All I Am

Eagleheart

Untamed identity  
Fighting for my illusion  
In fake morality  
Do you better know who I am?

Guilty for not being the same  
So spit on my name

Led to obey  
Forced to pretend I'm strong to face the outer world  
A mind of creativity  
Troubled though won't surrender

The doubts of my imperfections  
Slowly getting me insane

For good and bad I've been blamed  
This is All I Am

NEVER AGAIN ASHAMED IN SILENCE  
FOR THE DREAMS I FAILED  
CHOICE OF MINE IS TO PREVAIL  
ALL OF THE DARK AND THE DIVINE  
COLLIDING IN MY HEAD  
EVERY HEARTBEAT - A STEP AHEAD

Solo: Mike/both

Chains all I feel I'm coming through  
A shadow dark horizon  
You're servant of conformity  
Until you know you're not the same

Solo: MJ

I am who I am  
A light in the pain

NEVER AGAIN ASHAMED IN SILENCE  
FOR THE DREAMS I FAILED  
CHOICE OF MINE IS TO PREVAIL  
ALL OF THE DARK AND THE DIVINE  
COLLIDING IN MY HEAD  
EVERY HEARTBEAT - A STEP AHEAD
