

Time's flying by
We're growing older as our innocence dies
Although we're lost we're lost together
I am so sorry for all the pain you're going through
Still we can make our plans come true

I wish I could help you
So all your dreams don't turn into vain
You are my anchor in sorrow when life's to blame

TURN OUR WOUNDS BACK TO PROSPERITY
WASH OUR SINS, MEND OUR BROKEN CHILDHOOD HALO
LIFE WAS JUST ETERNAL VANITY
ENDLESS ROAD OF DAYS TO COME

Life's passing by
What seemed to be endless
Is at the edge of all we knew

I wish I could help you
Out of your sorrow and out of your pain
You are the one that I follow when life's to blame

TURN OUR WOUNDS BACK TO PROSPERITY
WASH OUR SINS, MEND OUR BROKEN CHILDHOOD HALO
LIFE WAS JUST ETERNAL VANITY
ENDLESS ROAD OF DAYS TO COME

Solo: MJ

Turn our wounds back to prosperity
Wash our sins, mend our broken childhood halo
Life was just eternal vanity
Endless road of days to come

TURN OUR WOUNDS BACK TO PROSPERITY
WASH OUR SINS, MEND OUR BROKEN CHILDHOOD HALO
LIFE WAS JUST ETERNAL VANITY
ENDLESS ROAD OF DAYS TO COME
