

Erased from Existence

Eagleheart

Betrayed by life itself
Who looks outside dreams a fairytale
Who looks inside will awake
So I was told
But found only loneliness
Embraced by the darkness around

ERASE FROM EXISTENCE ALL THOSE WEARY DAYS
STILL I CRY NOW OVER YOU
MY FACE IS GROWING OLDER
WHILE YOURS NOT EMBRACED
MUST PRETEND I'M OVER YOU

Drowned by the stream of emotions
Where all hope has died
Vainly weaving the love deep inside
When life says no dreams end up in emptiness
Endeavour turns to wounds undesigned

ERASE FROM EXISTENCE ALL THOSE WEARY DAYS
STILL I CRY NOW OVER YOU
MY FACE IS GROWING OLDER
WHILE YOURS NOT EMBRACED
MUST PRETEND I'M OVER YOU
NOT OVER YOU

All I can feel is I'm losing someone inside
I tried to be all I'll never be
As years goes by will I be the one I used to be
Good enough to raise another me

Carrying the burden
Till the end of our days
You won't be erased from existence

Solo: both

ELAISE SEE YOU IN ANOTHER TIME AND SPACE
BUT I CRY NOW OVER YOU
MY FACE IS GROWING OLDER
WHILE YOURS NOT EMBRACED
MUST PRETEND I'M OVER YOU
NOT OVER YOU
