

# Healing the Scars

Eagleheart

Falling from beyond the stars  
Wake up from dreaming  
Shivers down my spine are gone  
I'm silently screaming  
Looking for a shelter facing all my demons cost my pride  
Will I find all I'm searching for until I die?

Solo: Mike

Lessons I have learned  
Are bridges destined to be burned?  
Where's no question, there's no lie  
No more return

LOVE HATE SORROW  
OVER SHADOWING LIES  
NO FATE  
HEALING THE SCARS  
NO TOMORROW  
DRY THE TEARS IN YOUR EYES  
NO PAIN SORROW  
NO MORE DISGUISE

All the years we left behind turned into memories  
Burn them to ashes so I can rise like a Phoenix tonight

Love hate and sorrow

Not a halo around my head  
All the masquerade is dead  
Not pretending but being myself heal those wounds

You're on my mind  
Sometimes we're lost just to be found  
How many times to take a ride  
On this merry-go-round?

LOVE HATE SORROW  
OVER SHADOWING LIES  
NO FATE  
HEALING THE SCARS  
NO TOMORROW  
DRY THE TEARS IN YOUR EYES  
NO PAIN SORROW  
NO MORE DISGUISE

Forever is not for ever and it's not even for long  
Nothing is for certain in my song  
Strong enough my heart was to sail tears now will go on  
Resistant and immune to dreams undone  
I live on!

Solo: Mike/both  
NO TOMORROW  
DRY THE TEARS IN YOUR EYES  
NO PAIN SORROW  
HEALING THE SCARS

All the tears we left behind turned into melodies  
Sing them for ages so I can rise like a Phoenix tonight

Solo: MJ

Love hate and sorrow
