

Mind to Decipher

Eagleheart

Unable to face reality
Again you embrace my insanity
I've lost my faith
Was it meant to be?
(Or was it because of me?)
I'm having a date with elegy
To terminate serenity
Condemned for reasons I don't see?
(Or is it a fault in me?)

REST IN MY HANDS
ALL THE MOURNING IS FADING
WELCOME IN CORNER OF UNKNOWN CHOICES
LEAVE YOU BEHIND WHEN THE SHADOWS END
UNTIL I SEE YOU AGAIN

Another guide for life I need
Why don't you ever set me free?
Is this my fate or remedy
(Another fault in me?)

REST IN MY HANDS
ALL THE MOURNING IS FADING
WELCOME IN CORNER OF UNKNOWN CHOICES
LEAVE YOU BEHIND WHEN THE SHADOWS END
UNTIL I SEE YOU AGAIN
Smiling when I drown in tears
Your sweet is my bitter
My burden is your relief
A mind to decipher

Fall on your knees
Approaching the goddess of grief
In absence of light
REST IN MY HANDS
ALL THE MOURNING IS FADING
WELCOME IN CORNER OF UNKNOWN CHOICES
LEAVE YOU BEHIND WHEN THE SHADOWS END
UNTIL I SEE YOU AGAIN

Smiling when I drown in tears
Your sweet is my bitter
My burden is your relief
A mind to decipher
Smiling when I drown in tears
No more will I suffer
