

Painting the Shadows by Light

Eagleheart

Painting the shadows by light
For us to hide before the reason
Tears us apart

Solo: Mike

Lost inside my head
All those words unsaid
Never again will I die
Just once and for all
Ignore the rules of space and time
Reflecting the light from you
From a far constellation
You light up my night

We're sailing an ocean
Of past and today
A perfect transformation
To colour from grey

PAINTING THE SHADOWS BY LIGHT
FOR US TO HIDE BEFORE THE REASON
TEARS US APART

PEARLS THAT I FIND ON MY WAY
MAKE A MOSAIC OF LIFE
COMPLETE THE ONE INSIDE MY HEART

Despite the mountains I've climbed
You've taken me high above
Made a man out of a failure

Immortal emotion
In one mortal heart

PAINTING THE SHADOWS BY LIGHT
FOR US TO HIDE BEFORE THE REASON
TEARS US APART

PEARLS THAT I FIND ON MY WAY
MAKE A MOSAIC OF LIFE
COMPLETE THE ONE INSIDE MY HEART

All what I feel I cannot hide
Closer to understanding
Search in the corners of my mind
And you will find

SOLO: Mike/MJ

Let the stars shine upon you everyday
You're the reason hunters turn into prey
Write a story of wrinkles and grey
They're from laughter, we won't fade away

SOLO: Both

Immortal emotion
In one mortal heart

PAINTING THE SHADOWS BY LIGHT
FOR US TO HIDE BEFORE THE REASON
TEARS US APART

PEARLS THAT I FIND ON MY WAY
MAKE A MOSAIC OF LIFE
COMPLETE THE ONE INSIDE MY HEART

Waiting for you all my life
We're forever
I'll drown in your eyes till I die

Cherish the moments of now and forever
You are the one guiding light
Oh my love
