

Until Fear Is Gone

Eagleheart

Time to live your dreams
You're hiding behind
Poisoned by fears blackening your mind
Departed all you've designed

Face the truth
It seems you've faded away
The world around turning to grey
Expecting the worst's your guide
A binding principle applied

Afraid to take a step ahead
You're not the one that I once met
Hide inside your paper walls
You are taunted by what might have been

Yield to free your mind from all those fears
Unchain your soul reveal yourself

CLOSE YOUR EYE
COUNT TO THREE
DREAM A WORLD FOR YOU AND ME
I'LL TAKE YOU HOME BY FIRST MORNING LIGHT

ALL THE SCARS MAKE YOU FEEL
STRONGER FOR REALITY
LEAVE YOUR DOUBTS BEHIND
YOU WON'T GET OVER FOUR
UNTIL YOUR FEAR IS GONE

A false evidence appearing real

Now hear me whisper in your ears
Forget and dry your tears
My friend of sorrows

And even if you stumble and fall
At least you're moving on
Hold on to morrows

Yield to free your mind from all those fears
Unchain your soul reveal yourself

CLOSE YOUR EYE
COUNT TO THREE
DREAM A WORLD FOR YOU AND ME
I'LL TAKE YOU HOME BY FIRST MORNING LIGHT

ALL THE SCARS MAKE YOU FEEL
STRONGER FOR REALITY
LEAVE YOUR DOUBTS BEHIND
YOU WON'T GET OVER FOUR
UNTIL YOUR FEAR IS GONE
