

# I Love You All the Time

Eagles of Death Metal

I love you all the time

I'm never alone, I look at my phone  
If I call you up, you're never at home

I love you all the time

I'm fueled up and high, I'm out with the guys  
A smile on my face, no reason to cry

I love you all the time

I can tell by that look in your eye  
You're looking and all you see is another guy  
I can tell you're gonna take your love away

I can tell by that look in your eye  
You're looking and all you see is another guy  
I would beg you if I thought it would make you stay

Ce soir c'est le soir et toi avec moi  
Et tu viens me voir, tu viens ouh la la

I love you all the time

Tu me réponds pas, ah dis-moi pourquoi  
Just say au revoir, again me voilà

I love you all the time

I can tell by that look in your eye  
You're looking and all you see is another guy  
I can tell you're gonna take your love away

I can tell by that look in your eye  
You're looking and all you see is another guy  
I would beg if I thought it would make you stay  
I would beg if I thought it would make you stay  
I would beg if I thought it would make you stay

Ah dis-moi pourquoi  
Ah dis-moi pourquoi  
Ah dis-moi pourquoi
