

# Oh Girl

Eagles of Death Metal

Oh girl, when you coming back to me  
Oh girl, when you coming back to me  
Oh girl, when you coming back to me

My hands are shaking and my mind is dry  
You walked away from me honey and we both know why  
What you don't know, what you don't see  
That I was made for you and you were made for me  
Can't stop thinking that I let you go  
Laid it all on the line and nothing to show  
I wanna throw you up, I wanna hear your voice  
But when I push the button, my hands start shaking

You've got to save me, baby  
You've got to save me, baby  
You've got to save me, baby  
You've got to save me, baby  
You've got to save me, baby  
Oh girl, when you coming back to me  
Oh girl, when you coming back to me  
Oh girl, when you coming back to me  
Oh girl, when you coming back to me

My feet keep slipping as I hit the floor  
And I don't know what it is I'm looking for  
Tried to make it fast, you've got to take it slow  
And before I knew it you were already gone  
My hands are stinky and my mind is dry  
You walked away from me honey and I don't know why  
What you don't know, what you don't see  
That I was made for you and you were made for me

You've got to save me, baby  
You've got to save me, baby  
You've got to save me, baby  
You've got to save me, baby  
You've got to save me, baby  
You've got to save me, baby  
You've got to save me, baby

Oh girl, when you coming back to me  
Oh girl, when you coming back to me  
Oh girl, when you coming back to me

Oh girl
