

# Holding Her And Loving You

Earl Thomas Conley

It's the third hardest thing I'll ever do  
Leavin' here without you  
And the second hardest thing I'll ever do  
Is tellin' her about you

She's been good to me when things were goin' rough  
How can I tell her now, good ain't good enough  
Oh, the hardest thing I've ever had to do  
Is holding her and loving you

If she'd give me one good reason I'd be gone  
She ain't done, one thing wrong  
So don't expect me to just walk out of the door  
I still love her but I love you more

She's been good to me when things weren't goin' right  
She made my days long before you made my nights  
So, the hardest thing I've ever had to do  
Is holding her and loving you

Yeah, the hardest thing I've ever have to do  
Is holing her and loving you  
Girl, the hardest thing I've ever have to do  
Is holding her and loving you
