

# Burning The Cow

Earlimart

It's where we're from and we'll always be  
But we won't let 'em get to us  
So come on, come on, we choke on the dirt  
So come on, come on, we choke on the dust  
But we won't let 'em get to us

Burning the cow  
Burning the cow for so long  
Oh, oh, oh

They got new lights up above  
But you know it's the same  
And we won't let 'em get to us  
So come on, come on, we choke on the dirt  
Yeah, come on, come on, the smoke on the dust  
But we won't let 'em get to us

Burning the cow  
Burning the cow for so long  
Oh, oh, oh

Burning the cow  
Burning the cow for so long  
Oh, oh, oh

Burning the cow  
Burning the cow for so long  
Oh, oh, oh

Burning the cow  
Burning the cow for so long  
Oh, oh, oh

Burning the cow  
Burning the cow for so long  
Oh, oh, oh  
For so long  
Burning the cow  
For so long  
Oh, oh
