

Dreaming Of...

Earlimart

It's the right kind of love
It's all I'm thinking of
Keep smiling, laugh it up
In a dream I won't wake up.

It's the right kind of love.

It's what I'm dreaming of
It's what I'm dreaming of
It's the right kind of love
In a dream I won't wake up

It's what I'm dreaming of.
