

Have you ever stood alone?
Have you ever stood alone?
In a corner, broken, shattered
With no place to call your home
Have you ever stood alone?
Have you ever wondered why?
Have you ever wondered why?
Challenge comes to anyone
Who's brave enough to hold alone
Have you ever wondered why?
Don't be so afraid of the truth, now
One day you'll be proud of who you are
Easy on yourself, don't go too far
Let it go, be who you are
Na na na na na na na
Na na na na na na
Na na na na na na na
Na na na na na na na
Na na na na na na
Na na na na na na na
Have you ever needed more?
Have you ever needed more?
More than what they always give you
Fair enough to carry on
Have you ever needed more?
(have you ever needed more?)
They took your innocence
And left you fighting to survive
They took your innocence
And watch you fighting to survive
Don't be so afraid of the truth, now
One day you'll be proud of who you are
Easy on yourself, don't go too far
Let it go, be who you are
Have you ever stood alone?
