

Lovin' Spree

Eartha Kitt

I wanna go on a lovin' spree
Wanna love until there's just ain' nothing left of me
But I wouldn't go on a lovin' spree with anyone else but you

I wanna go on a huggin' binge
Wanna hug until my arms is comin' off the hinge
But I wouldn't go on a huggin' binge with anyone else but you

Kiss me hard
Kiss me strong
Kiss me harder
Kiss me long
Kiss me right
Kiss me wrong
Let's go crazy

I wanna go on a lovin' spree
Wanna love so you just gotta keep me a company
coz I wouldn't go on a lovin' spree with anyone else but you

I wanna go on a huggin' binge
Wanna hug until my arms is comin' off the hinge
But I wouldn't go on a huggin' binge with anyone else but you

Kiss me hard
Kiss me strong
Kiss me harder
Kiss me long
Kiss me right
Kiss me wrong
Let's go crazy

I wanna go on a lovin' spree
Wanna love so you just gotta keep me a company
coz I wouldn't go on a lovin' spree

love, love, love

with anyone else but you
