

Oh, John!

Eartha Kitt

Oh John, please don't kiss me
Oh John, please don't kiss
Oh John, please don't
Oh John, please
Oh John
Oooh

Oh John, please don't hold me
Oh John, please don't
Oh John, please don't
Oh John, please
Oh John
Oooh

I keep thinking we only met an hour or two ago
Though I like you, I mustn't let you
No, no, no, no, no

Oh John, please go home now
Oh John, please go home
Oh John, please go
Oh John, please
Oh John
Oooh

[Orchestral Break]

Oh John, please go home now
Oh John, please go home
Oh John, please go
Oh John, please
Oh John
Ooooooh
