

# Too Far Gone

Echo & the Bunnymen

Heaven come on  
Don't try to catch me  
When I fall  
I don't belong  
You won't even hear me  
When I call

Touch down  
There's no warning  
Just my spirit falling  
Falling

Something's wrong  
You don't want to hear  
The things I know  
Too far gone  
Gone so far  
There's no where left to go

Touch down  
There's no warning  
Just my spirit falling

Something's wrong  
You don't want to hear  
The things I know  
Too far gone  
Gone so far  
There's no where left to go

Get me out of the here and now  
I want to be another here  
Another  
Set me up 'cos I know how  
It's easy

Sucker-sucker-sucker  
Sucker-sucker-sucker  
Sucker-sucker-sucker

Shooting stars  
Love the way they burn  
Inside your eyes  
From here to the end  
Burning up the cold  
And lonely sky

Touch down  
There's no warning  
Just my spirit falling

Something's wrong  
You don't want to hear  
The things I know  
Too far gone  
Gone so far  
There's no where left to go

Get me out of the here and now  
I want to be another here  
Another  
Set me up 'cos I know how  
It's easy

Don't try to catch me
