In Barcelona

Will get up, up on the dancefloor tonight I've got two left feet and a bottle of red wine Making me feel like the beat and the bassline Are in my blood, both hands up on her waistline Get on up, baby, dance to the rhythm of the music Don't care what the DJ chooses Get lost in the rhythm of me Please don't close until we wanna leave it

And you and I we're flying on an aeroplane tonight
We're going somewhere where the sun is shining bright
Just close your eyes
And let's pretend we're dancing in the street
In Barcelona
Barcelona
Barcelona
Barcelona

Will get up, up on the dancefloor, move, it's a Saturday night I fell in love with the sparkle in the moonlight Reflected in your beautiful eyes I guess that is destiny doing it right And dance like they do in the Mediterranean Spin you around me again and again, and You're like something that God has sent me I want you, baby, solamente

And you and I we're flying on an aeroplane tonight
We're going somewhere where the sun is shining bright
Just close your eyes
And let's pretend we're dancing in the street
In Barcelona
Barcelona
Barcelona
Barcelona
Barcelona
Sarcelona
Oh, Barcelona
So let's pretend we're dancing in the street
