

# Cold Coffee

Ed Sheeran

She's like cold coffee in the morning  
I'm drunk off last night's whiskey and coke  
She'll make me shiver without warning  
And make me laugh as if I'm in on the joke

And you can stay with me forever  
Or you could stay with me for now

Tell me if I'm wrong, tell me if I'm right  
Tell me if you need a loving hand  
To help you fall asleep tonight  
Tell me if I know, tell me if I do  
Tell me how to fall in love the way you want me to

I'll wake with coffee in the morning  
But she prefers two lumps of sugar and tea  
Outside the day is up and calling  
But I don't have to be so, please go back to sleep

Stay with me forever  
Or you could stay with me for now

Tell me if I'm wrong, tell me if I'm right  
Tell me if you need a loving hand  
To help you fall asleep tonight  
Tell me if I know, tell me if I do  
Tell me how to fall in love the way you want me to

'Cause I love the way you wake me up  
For goodness sake will my love not be enough?

Tell me if I'm wrong, tell me if I'm right  
Tell me if you need a loving hand  
To help you fall asleep tonight  
Tell me if I know, tell me if I do  
Tell me how to fall in love the way you want me to

Tell me if I'm wrong, tell me if I'm right  
Tell me if you need a loving hand  
To help you fall asleep tonight
