

# Homeless

Ed Sheeran

Mmm...  
Whoa oh...

Could I wake up next to you  
When it's hitting double figures  
Look into your eyes  
Like I'm looking into double mirrors  
Could you make it any clearer  
Everything's such a blur  
It's not my turn  
It's hers to get hurt  
On a late night  
Coming home from way too many train rides  
Lace not as red as my face  
I'm home at the same time  
Highbury estate's fine  
Smoking like a dragon, but don't chase lines

Hey....

I haven't slept for the past week  
Two hours ain't enough for me  
I feel inspired, at quarter to three AM  
I haven't changed since our last meet  
I'm still getting all my meals for free  
I think I'm being shunned by my feet again

'Cause it's not a homeless life for me  
It's just I'm home less than I'd like to be  
And it's not a homeless life for me  
It's just I'm home less than I'd like to be  
And it's not a homeless life for me  
It's just I'm home less than I'd like to be  
And it's not a homeless life for me yeah...

And now I'm sitting on a night bus  
Flicking through my iPod  
Feeling kinda tired  
So I try to close my eyes up  
Driver, turn the lights off  
Lights on, on stage, mics on  
Song plays, nice one  
Gotta keep my hype strong  
Truth be, never went to Uni  
People see right through me  
but I'm not a fool, see  
I'm never gonna do one  
Gonna live past 22, done  
Everything I need to  
Except get a 2:1

I haven't slept for the past week  
Two hours ain't enough for me  
I feel inspired, at quarter to three AM  
I haven't changed since our last meet  
I'm still getting all my meals for free  
Think I'm being shunned by my feet again

'Cause it's not a homeless life for me  
It's just I'm home less than I'd like to be  
And it's not a homeless life for me  
It's just I'm home less than I'd like to be  
And it's not a homeless life for me  
It's just I'm home less than I'd like to be  
And it's not a homeless life for me yeah...

When I feel cold  
You keep me warm  
And I'm not looking for some loose change  
Just wanna find a true mate  
Who wants to be my duvet hey-eh

It's not a homeless life for me  
It's just I'm home less than I'd like to be

And it's not a homeless life for me  
It's just I'm home less than I'd like to be [6x]  
And it's not a homeless life for me Yeah...mm..oh.
